**Attn: Sridhar B D. ( Minister for IT )**

Dear sir,

In addition to our company, Axios International (AI ), other companies are keen to create proper employment in the district where we grew up ( spent time ) back in India.

AI will spearhead this effort with heart and soul.

Your utmost cooperation and support is what we need to get things going.

Please do the feasibility study and maybe we can start the initiation on 15<sup>th</sup> of August, 2025.

Should you need further information feel free to reach out to me or my team in any of the following channels:
